WELCOME

Welcome and welcome back to the Minnesota Opera Resident Artist Program! You are part of a company of highly talented and dedicated individuals whose mission is to change lives by bringing together artists, audiences, and community, advancing the art of opera for today and for future generations. We are happy to have you with us and hope you will have an enjoyable and rewarding season! This handbook contains an overview of standard operating procedures for RAPs. Some things are a little different right now due to COVID-19. In this handbook we've tried to give an overview both of current procedures, as impacted by COVID, and our more "normal" operations.

MINNESOTA OPERA DIVERSITY CHARTER

We aim to inspire hope, empower all voices, and strengthen bonds between people of all backgrounds and identities. To this end, Minnesota Opera commits itself to continuously working to become an antiracist and anti-oppressive organization. We acknowledge that along our journey, our culture and the world around us is constantly evolving. We will inevitably make mistakes. We choose to accept that reality and will humbly begin again in order to lean into this practice. Please review Minnesota Opera's Diversity Charter, available here: <https://mnopera.org/edi/>.

COVID-19 PREPAREDNESS PLAN

In response to the COVID-19 pandemic, Minnesota Opera has a COVID-19 Preparedness Plan in place. In accordance with Governor Walz's various Emergency Executive Orders, we are required to have a plan and to provide plan training to all employees so that you can perform the precautions necessary to keep yourselves and your co-workers as safe as possible. We are also required to document your completion of this training. Minnesota Opera regularly re-evaluates our plan and makes changes to reflect the most current public health information. The current version is always available online here: <https://callboard.mnopera.org/covid-plan/>.

SCHEDULES

Daily schedules are typically published no later than 7:00p for the following day. Daily schedules will be distributed to you via email, posted throughout the Opera Center, and posted to Minnesota Opera's electronic callboard. They will also be posted to the Ordway Callboard directly inside the stage door when we have onstage calls. Events are listed by location, so please read the entire schedule carefully for all your calls. The Assistant Technical Director schedule will be coordinated by the Technical Director and will align with Scene Shop and Ordway production calls.

Due to COVID-19, the Opera Center is currently open Monday through Thursday and closed Friday through Sunday.

In a non-COVID setting, staging rehearsals are typically scheduled five days per week, during the following hours:

EITHER 10:00a – 1:30p and 2:30p – 6:00p
OR 1:30p – 5:30p and 7:00p – 10:00p

One day per week is dedicated to coachings, costume fittings, or individual practice or office work time. One day per week is entirely free.

RAPs will be called to opera rehearsals no more than 6 hours per day. This 6-hour limitation does not include coachings or costume fittings. Two mornings per week are often reserved for RAP Coach Class and RAP Company Class. In the past this has been Tuesday and Thursday mornings, but group gathering times may follow a different schedule during COVID.

Weekly company calendars will be distributed via email on Saturday and will provide an overview of activities for the coming week. At the beginning of each opera production, you will receive an overview schedule of artist calls pertaining to the opera. The daily schedules always supersede both of these documents.

Planned free days for RAP Singers, Pianists, and the Assistant Stage Director are listed on the RAP Free Day document, Company Calendar, Weekly Calendar, and Daily Schedules. Free days are subject to change and you will be given as much advance notice as possible should an adjustment need to be made. Free days for the Assistant Technical Director will be arranged directly with the Technical Director.

ELECTRONIC CALLBOARD

To share information with our artists and staff, Minnesota Opera maintains an electronic callboard: a virtual version of the bulletin boards at the Opera Center (and more). You may access the callboard at <http://callboard.mnopera.org> from any computer or mobile device with internet access.

Resources which you will find on the electronic callboard include:

- Daily Rehearsal Schedules
- Weekly Company Calendars
- Show Overview Schedules
- Season Calendar
- Resident Artist Program Handbook
- Coaching Request Form
- Application Inquiry Form
- Release Request Form
- RAP Free Days List
- Intimacy Staging Guidelines
- COVID-19 Preparedness Plan
- RAP Opera Center Building Access Request
- Safety, Health, and Emergency Action Handbook
- Minnesota Opera Employee Handbook & Benefit Information
- Organization Chart
- Staff Contact List

FACILITY ACCESS

RAPs are permitted to access the Opera Center for coachings or rehearsals as published via the MNOP Daily Schedule. Requests for additional time in the facility, such as for individual practice in a rehearsal room, computer use, or printing/copying music, must be made via the RAP Building Access Request: <https://callboard.mnopera.org/rap-access-request/> and are due **no later than 3:00p for the following business day**. (Requests for Monday are due Friday at 3:00p.) Artists should enter only at their assigned time in order to complete the required health screening. These procedures are in place due to COVID-19 and may be re-evaluated as health conditions change.

PHOTOCOPYING

There are two Ricoh copy machines available to you on the 3rd floor of the Opera Center. To make photocopies you must enter the RAP copy code: **6796**. When you are finished using the copier, please log out of your account by pressing the “Reset” and “C Clear” buttons simultaneously.

Please note: The RAP Assistant Stage & Technical Directors will have alternate codes to use in staging & production staff operations.

MAILBOXES

Each Resident Artist has a mailbox, currently located on the basement level of the Opera Center, at the base of main staircase. Please check your mailbox regularly when you are in the building for communications.

COVERING ROLES

You may be assigned to cover principal roles this season. When covering a role, if your name appears on the schedule in parentheses, it means that you are called to observe the rehearsal. If your name is on the schedule but NOT in parentheses, it means you are called to rehearse/perform. If your name does not appear on the schedule but we are rehearsing a scene in which your character appears, you are welcome to attend the rehearsal but not required.

ILLNESS & TARDINESS

For RAP Singers, Pianists, and AD, if you are ill and need to miss a call, or running late to a call, please notify the Interim Assistant Production Director, Kerry Masek by texting or calling (949) 463-9740 (mobile phone). For the ATD, please notify the TD in case of absence. In the case of illness, please notify us at least 2 hours before your scheduled call so that we can make necessary adjustments to our plan for the rehearsal. Please DO NOT EMAIL regarding last minute absences or tardiness. Due to the high volume of emails Kerry receives she may not see your message prior to your scheduled call.

For COVID related illness/symptoms, please see the “Health Screenings and Policies for Employees Exhibiting Signs and Symptoms of COVID-19” section of the COVID-19 Preparedness Plan.

RELEASE REQUESTS

Attendance and punctuality are required for all scheduled rehearsals, performances, classes, and events. Any time away, including partial days, must be approved by the company. This includes all calendar days, not just workdays. Releases are granted when possible but are not guaranteed. The sooner we receive your request, the easier it will be for us to consider it.

In order to be released from any calls, please complete a Resident Artist Release Request Form on the electronic callboard at <http://callboard.mnopera.org/release-request-form/>. All release requests need to be approved by the Head of Music and Interim Assistant Production Director. You will receive a copy of your completed request form once the release has been approved by all parties. The Assistant Technical Director should request approval for time off directly from the Technical Director and does not need to utilize the Release Request Form.

COACHING REQUESTS

To request a coaching be added to the schedule, please complete the Coaching Request Form on the callboard site at <http://callboard.mnopera.org/coaching-request-form/>. We make all best efforts to assign coachings as requested, but in certain cases may not be able to accommodate your request either due to a coach's availability or your own rehearsal schedule. Coaching requests are due on Thursday by 9:00a for the following week. Requests received after this deadline will be scheduled as time permits.

REHEARSAL ETIQUETTE

Please arrive to rehearsal ready to work at your posted call time. Allow extra time to find parking, stow your personal belongings, get a cup of tea or coffee, and say hello to colleagues prior to the rehearsal start time. There will be a table in Bemis Rehearsal Hall for principal artist belongings. Don't forget to silence your cell phone at all times in the rehearsal hall. During rehearsals you are expected to remain quiet and be attentive to the rehearsal. If you need to step outside for a quick conversation, please first notify stage management and then go to the green room. Please do not hold conversations directly outside the door to Bemis, as voices carry into the rehearsal room.

It is important to remember that the Minnesota Opera Center belongs to everyone. Please pick up after yourself in all rehearsal spaces and in the green room and throw garbage and recycling away in designated containers.

The assistant director and assistant stage managers are in rehearsals to assist the director and ensure that things run smoothly. The assistant director is responsible for tracking artist blocking, keeping notes for the director, and staging cover artists. The ASMs cue entrances and track props and costume running. Please feel free to ask for assistance from these individuals, and also treat them with the same respect with which they will treat you.

A few notes on COVID-19:

Please see the COVID-19 Preparedness Plan for more specific procedures related to coachings and rehearsals at the present time, including temporary maximum room capacities, required face coverings, health checks, and assigned entry point when accessing the Opera Center. We're so sorry, but at the moment green room hospitality (tea and coffee) will not be provided, and the green room is CLOSED except for the filling of personal water containers. We look forward to the time when we can share our awesome tea and coffee selection with you and share break-time meals in the green room once more!

COACHING ETIQUETTE

Be punctual for coachings, and let your coach know if you need to be somewhere else immediately following the coaching – it is easy to lose track of time in the middle of a working session and suddenly realize you are late for your next commitment.

If you need to cancel a coaching due to illness or other issues, please notify the Interim Assistant Production Director as soon as possible both so that the session can be rescheduled and so that the coach's time can be reallocated to another artist or activity.

When possible, let coaches and pianists know in advance what you would like to work on in a coaching so that they have time to refresh the repertoire themselves, especially if it is obscure.

For in-person coachings, bring extra scores of repertoire you would like to work on if it is not the show currently in rehearsal.

For virtual coachings, communicate with the coach ahead of time what you plan to work on and share PDFs of repertoire if needed. Be ready with your set-up of any necessary technological equipment at the top of coaching time.

It is expected that Resident Artists participate fully in all classes, coachings, auditions, and any other career development activities as scheduled. Failure to do so may result in punitive action, including reimbursement to Minnesota Opera of said activities' cost and/or termination of Artist's contract.

GUEST FACULTY AND MASTER CLASSES

Resident Artists will be notified as soon as they are scheduled to allow for maximum preparation of appropriate repertoire. Most sessions will be solely for Resident Artists and staff in attendance. Master classes open to donors and patrons may also be scheduled during the season.

PATRON AND DONOR EVENTS

Throughout the season, Resident Artists will be asked to attend and perform at special events. Resident Artists may also be requested for interviews. You will be notified as far in advance as possible.

ATTIRE

During both musical and staging rehearsals, you will be working in very close proximity with your colleagues. Please wear work-appropriate clothing, avoid the use of perfumes, colognes, or other strongly scented products, and attend to matters of basic personal hygiene. Please remember that some of your colleagues may be sensitive to strong scents.

For staging rehearsals, dress comfortably in clothes and shoes that allow you to move freely. Wear shoes that are secure on your feet and close-toed, so that you can move easily around the stage and your toes will be protected in those big crowd scenes! If you are singing a principal role in an opera, some rehearsal costume pieces or shoes may be provided for you and will be kept in Bemis Rehearsal Hall. Please allow time to change into any rehearsal costumes before the rehearsal start time, if needed.

See "Costume & Wig Fittings" below for what to wear to a fitting.

COSTUME & WIG FITTINGS

All of the basic considerations for rehearsals also apply to costume fittings. Fittings for RAPs will be scheduled through stage management and will appear on the daily schedule. When you are called for a fitting, please:

- Be in the costume shop and ready to try on costumes or wigs at your fitting time. Allow ample time to deal with traffic and find parking before your fitting time.
- Silence your cell phone during all costume and wig fittings. Costume staff will be giving you their full attention; please give them yours.
- Wear appropriate undergarments to all costume fittings and performances. This includes full seat underwear and foundation garments such as you will wear onstage. Please refrain from wearing sports bras, thongs, or other unprofessional garments.
- Practice good personal hygiene and refrain from using perfumes, colognes, or other heavily scented products.

GUESTS IN REHEARSALS

In the interest of maintaining an atmosphere of concentration, all rehearsals are closed to guests of artists unless prior permission has been granted by both the stage director and conductor. Please make these requests via stage management at least one day in advance of your guests' proposed attendance.

FINAL ROOM RUN THROUGH & REHEARSALS WITH ORCHESTRA

Artists are welcome to vocally mark staging rehearsals as needed throughout the process. We request that artists plan to sing full out at the final room run through, Sitzprobe, and first orchestra dress rehearsal. Having all artists sing at these particular rehearsals is most beneficial to the company. If you are unable to sing full out at one of these rehearsals due to illness, please notify the conductor and Head of Music.

INJURIES

If you are injured in any opera rehearsal, please notify stage management immediately. The SM staff can provide basic first aid, will summon emergency medical assistance if needed, and will help you complete the required First Report of Injury form so that medical treatment will be covered under the Opera's workers compensation policy. If injured while executing your MNOP duties but outside of an opera rehearsal where stage management is present, please contact the Head of Music as soon as you are able.

PERSONAL BELONGINGS & VALUABLES

Artists are responsible at all times for all personal belongings brought to calls at the Minnesota Opera Center, Ordway Center for the Performing Arts, or other venues. MNOP cannot be held liable for the loss or damage of any personal items, regardless of where said loss occurs (including but not limited to rehearsal and performance venues, publicity events, vehicles, personal domiciles, restaurants, and theaters.)

At each dress rehearsal and performance, stage management will collect valuables at the half hour call and return them to you at the conclusion of the performance. Please note that you may only lock up small, personal items which fit in a gallon-sized Ziploc bag (such as a cell phone or wallet). We cannot accommodate large or bulky items such as handbags, shoulder bags, or backpacks for lock up.

When the Wenger Practice Room suite is open, small lockers are available for RAP use here. You must provide your own lock.

THEATER LOCATION AND PARKING

Onstage rehearsals and performances are held at the Ordway Center for the Performing Arts, located at 345 Washington Street, St. Paul, MN 55102. Artists must enter and exit the building via the stage door on 5th Street.

Directions to the Ordway from the Opera Center:

Take North 1st Street east to Hennepin Avenue and turn right on Hennepin. Proceed to 6th Street and turn left on 6th Street. Proceed straight ahead onto I-94 East. Take I-94 to exit 241-B to 5th Street in St. Paul. Continue straight ahead, following 5th Street, and the Ordway will be on your right side at the intersection of 5th Street and Washington Street.

Parking

Parking is not provided at the Ordway. We recommend parking in one of the many available lots or ramps surrounding the theater. St. Paul parking meters are enforced until 10:00p daily and meters on the streets immediately surrounding the Ordway have a 2 hour limit. Due to concurrent events at the Xcel Energy Center and River Centre, there is often a heavy demand for parking in St. Paul. Please check the daily schedule for notices about heavily impacted parking days and allow plenty of time to find a parking spot and arrive on time for your call at the Ordway. See the last page of this document for parking ramp suggestions, or ask your colleagues where they usually find parking.

Minnesota Opera will provide reimbursement for parking expenses incurred during Ordway calls. Please submit receipts to Jake Fedorowski, Artistic Department Coordinator: jfedorowski@mnopera.org. Deadline to submit receipts is the first Monday of each month for reimbursable expenses incurred in the previous month. Transportation expenses to and from the theater will NOT be reimbursed.

BACKSTAGE ACCESS

You will be issued a Minnesota Opera Ordway security badge for the season. You will be required to show this badge at the stage door when entering and to note your arrival and departure times in the security log book at the stage door. During dress rehearsals and performances, you may also be required to show your badge to front-of-house staff in order to be allowed through backstage pass through doors from the front of house areas. Please carry your badge with you at all times when working in the Ordway, except when you are in costume.

Guests are not permitted in dressing room areas, onstage, or in the wings at any time. Resident Artists may have guests greet them backstage after a performance in the 2nd floor Drake Room. In order for guests to gain post-performance backstage access, artists must add their name to the guest list provided in the dressing room (for principal artists) or at the stage manager's console (for RAPs performing in the chorus or non-performing RAPs) prior to the half-hour call before the performance. Direct your guests to proceed at the end of the show to the 2nd level corridor doors, located at the top of the lobby grand

staircase near the women's restroom. Their names will be checked against the security list and they will be directed to meet you in the Drake Room. Please change out of costumes, wigs, and make-up before greeting your guests. Please note that not all cast members are permitted to welcome guests backstage; this is a special privilege afforded to you as a member of the Resident Artist Program. You are responsible for keeping your guests in the approved area (Drake Room), and for escorting them out of the building via the stage door. Please comply with all security staff or Opera staff instructions regarding backstage guests. If your guests' names do NOT appear on the security list, they will be instructed to wait for you outside the stage door on 5th Street.

BACKSTAGE ETIQUETTE

Please do not touch the monitors in the dressing rooms. If your monitor is not working properly or requires an adjustment to the volume level, notify stage management. The Ordway staff is responsible for adjusting monitors as needed.

During the winter, certain backstage stairways will be closed off to individuals wearing outdoor boots/shoes. Please observe the posted signs and use only the specified staircases to access the stage once you are in costume, in order to protect your costume from salt or other chemicals used outdoors.

Please do not eat or drink anything (except water), smoke, or chew gum while in costume. When in costumes, wigs, or stage make-up, please do not leave the theater or go into any public areas of the theater.

Please wear all costumes as directed, with no modifications. This means no personal jewelry, wristwatches, eyeglasses, or nail polish, unless approved by the costume director or costume designer. If you encounter a problem with a costume piece – a hem is too long, a helmet is obscuring your vision, etc. – notify your dresser. They will work with the costume director to correct the problem. If deemed necessary by the Hair & Make-Up Designer, artists may be asked to shave facial hair or modify hair length or style. During the production period artists should not alter hair style or facial hair without prior permission of the Hair & Make-Up Designer.

Photography is permitted in the dressing rooms (once everyone is dressed, of course!) and the hallways. Please remember that courtesy dictates asking an individual's permission prior to photographing them. Photography is not permitted backstage or onstage, so please do not bring cameras into the wings. Audio and video recording of any kind are prohibited.

DRESSING ROOM PRIVACY

Artists in principal dressing rooms will be provided with a "do not disturb" sign which may be hung on your door at your discretion. If the sign is posted, only your dresser and the stage manager assigned to collect valuables and backstage guest lists will be permitted to knock for entry; all other staff will respect your wish for privacy. If you wish not to be disturbed before to a performance, please make prior arrangements with the assistant director and music staff concerning how and when you would like to receive any notes. Notes will not be given while you are in the make-up chair as it disturbs the workflow of the make-up team.

USE OF THEATRICAL HAZE

In some productions, theatrical haze will be used. Most haze products are water and glycol based. Whenever theatrical haze is used a Safety Data Sheet (SDS) will be posted on the main Opera Center and/or Ordway callboards at least 24 hours before the product's first onstage use.

AUDIENCE AT FINAL DRESS REHEARSALS

A small audience, usually between 50 to 200 people, will observe the final orchestra dress rehearsal. This audience is primarily comprised of invited guests of the Opera company and its staff members. Some media personnel will attend on occasion, but the majority don't attend until opening night or after.

A few operas each season will have a full student audience (up to 1800 attendees) observing the final dress rehearsal. Your production overview schedule will indicate whether or not you will have a student audience for your final dress.

PERFORMANCE TICKETS

RAPs are eligible for the following complimentary or discounted tickets:

- If you are not performing in an opera and wish to observe any performance from the audience, you are entitled to one complimentary ticket per performance for yourself if space is available.
